Dear Senator;

I am currently anticipating the completion of the requirements for my Master of Science Degree in Law Enforcement and Police Administration at [redacted] University in the early part of May 1978.

I had hoped to stay in Iowa, but there seems to be limited employment opportunities, unless a person wishes to become a member of the Iowa Highway Patrol.

~~I am in hopes that you can provide me with some input and direction in obtaining employment on the State or Federal level. I am particularly interested in a U.S. Deputy Marshal position or possible employment with the F.B.I. or C.I.A..~~

I would like to thank you for any future consideration you may give me.

Yours truly,

STAT
